EASTERN CANADIAN RALLY CHAMPIONSHIP
CHAMPIONNAT DES RALLYES DE L'EST CANADIEN

2017

Regulations

Eastern Canadian Rally Championship - ECRC

2017 Regulations

For more information communicate with series registrar by email at info@ecrc-crec.ca.

ECRC uses the results of 9 regional events held in the eastern part of Canada in order to establish a scoring among eligible participants at those events. If the status of an event listed in the championship is national and regional, the regional event is taken in account.

This Series is fully supported by Canadian Association of Rallysport (CARS) and all events are sanctioned by CARS and the appropriate regional association Rallye Sport Québec, Rally Sport Ontario or Atlantic Region Motor Sport.

Format of the Championship

Number of events: 9
CARS regions: Quebec, Ontario and Atlantic
Number of events that participants will count: All
Minimum number of events started to be eligible to awards: 4

Eligibility

Participant's eligibility:

- Drivers with speed factor lower than 85 who start any event part of the series.
- Drivers and co-drivers needs to be member of a CARS affiliated club located in Atlantic, Quebec or Ontario region.
- At events where multiple statuses exist (national and regional), the participant needs to enter the regional event indicated in the supplementary regulations for ECRC. If the participant enters only the national event, there will be no points awarded to this participant.

Drivers who start their first ECRC event of the year with a speed factor of 85 or more are not eligible for this series. Drivers who improve their speed factor at 85 or more part way through the year retain their eligibility until the end of the competition season.

There is no registration procedure to be part of the championship.

Classes

A standing will be established for:

- a) Overall driver and co-driver
- b) Overall 2WD driver and co-driver
- c) P4WD driver and co-driver
- d) P2WD driver and co-driver

Registration fees to championship

No registration fees will be asked of participants.

Points

Standings will be based on general scoring per class and overall using the same scoring system as a national. A not eligible driver does not give his points to an eligible driver. For example, if a driver finishes 2nd in his class behind a not eligible driver, he will get the second place points, even if he was the best ECRC driver for this event. Co-driver gets the same points as the driver.

Driver's Speed Factors

The speed factor list used will be the CARS speed factor list or the speed factor determine by the organizers of the event if not on the CARS list.

Results

The ECRC results at an event will be published on the official notice board after the posting of the final official general results.

The cumulative results for the season will be published on the Web site of the championship at www.ecrc-crec.ca

Awards

No event awards will be provided. Series awards will be provided for each class to participant with a minimum of 4 events started.

- Trophy and cash award of 500\$ will be given to the first driver overall
- Trophy and cash award of 200\$ will be given to the second driver overall
- Trophy and cash award of 150\$ will be given to the third driver overall
- Trophy and cash award of 400\$ will be given to the first driver overall 2WD
- Trophy and cash award of 125\$ will be given to the second driver overall 2WD
